NO FIREWORKS

The Burgess of Bentleyville has issued a proclamation in which he forbids the use of fire crackers or other explosives in that borough. That action is taken in view of the numerous fires that have visited that community within the past few years, and particularly a few weeks ago, when the borough lost its school house and other valuable property by reason of the flames.

Some may consider it a deprivation not to be allowed to fire explosives and crackers, particularly on our national independence day, but the Burgess is looking after the material welfare of the borough and its citizens when he puts the lid on the explosives. It is easy to start a fire, and it does not take long to destroy a large amount of valuable property, but it takes many weary years to restore that which has been destroyed. Bentleyville has learned a lesson and the Burgess wishes to impress its teachings upon the citizens of that community. It is easier to do without firecrackers than without school buildings and business houses and homes.

Fame is fleeting. Col. House, from Texas, and an ambassador of the United States to the peace treaty conference, was overshadowed by Doug. Fairbanks and Mary Pickford, movie actors, when the three simultaneously arrived in England the other day. The people wanted to see Mary and Doug, and the Colonel was allowed to pass by unnoticed.

The big Vitaphone special production from James Oliver Curwood's famous novel, "The Courage of Marge O'Doone," will be shown at Maestric theatre Thursday, Friday and Saturday. It is a story of strong men and brave hearts living in the broad expanse of territory north of 53. The players, everyone a star, braved the dangers of a blizzard in the Rocky mountains in order to get realism. The picture was taken in Truckee, far away from the regular trails, an unbroken wilderness. Here some of the most thrilling scenes of the picture were enacted amid real dangers under the direction of David Smith.

The players went after realism and they got it. James O'Neill, who plays Mukoki, a faithful Indian, was severely bitten by savage dogs in an effort to get realism.

There is a strong love interest running through the feature and the element of suspense, introduced early in the story, is maintained until the final close-out.

"The Courage of Marge O'Doone" is different from other motion pictures. It is a classic and one that will endure for years. Every detail is absolutely correct. The film is instructive as well as entertaining. It carries the spectator through a romantic stretch of country accessible only to the few. All the thrills of a trip through the arctic regions can be experienced while the spectator remains comfortably seated in a theatre. The production is so realistic that a person becomes absorbed in the action and is forgetful of all that surrounds him. He is living in the great Northwest.

DOCTOR'S THRILLING STRUGGLE WITH DEATH IS VICTORIOUS

Fierce Battle with Grim Spectre Brings Health to Dr. Reese and a Message of Hope to Millions of Sufferers

After Dr. H. V. Reese had suffered for 10 years and been told by the greatest stomach specialist in the country that there was no hope for his recovery, he determined to spend his remaining days in experimenting upon himself in an endeavor to develop a remedy for sufferers from stomach, liver and kidney troubles such as himself.

Dr. Reese's condition at this time was so critical that it was impossible for him to retain food in his stomach, it being necessary to wash that organ out two or three times a day. This in addition to the severe liver and kidney trouble which generally accompanies stomach trouble.

After months of heart breaking failures and with his condition growing worse, Dr. Reese finally hit upon the Formula which is now known as The Reese Formula R-11 that completely restored his health.

This happened in 1898, twenty-one years ago. Today at the age of 73 Dr. Reese weighs 175 pounds, weighs in his life is hale and hearty and possesses more vigor than most men of fifty.

The Reese Formula R-11 is sold in Charleroi by all druggists, or at Hennings' Drug Store.

W. J. McGUIRE DRUG CO.,
HUNTINGTON, W. VA.

Gentlemen:

For more than a year I have been unable to work on account of stomach and bowel trouble. My case failed to respond to various methods of treatment until I began taking the Reese Formula R-11. The first bottle put me in such wonderful condition that I was able to resume work. I recommend this great remedy to all sufferers of stomach, liver and kidney trouble.

Yours truly,

VERNON E. WELKER.

THE BALL-WARFIELD DRUG CO.,
IRONTON, OHIO

Gentlemen:

For over ten years I have suffered from stomach trouble. Six doctors in Ironton and four in Portsmouth failed to help me. I tried about every remedy on the market without benefit until I began taking the Reese Formula R-11. Two bottles of this great remedy has worked such wonders in my case that I can hardly believe now that I ever had a sick day. I will always recommend Reese Formula R-11.

Yours faithfully,

JAMES M. LONG.

PARKERSBURG, W. VA.

Gentlemen:

I have not been able to work for more than three years because of stomach trouble, rheumatism and bloatedness. My kidneys and bladder were so affected that I would have to get up many times during the night. After taking the treatment of the Reese Formula R-11 I am thankful to say that it has relieved me of all these disorders, and I feel it my duty to tell the public of the benefits I have received.

Very gratefully yours,

Gentlemen:

For a year or more I have suffered from my stomach and a general weakened condition due to a severe attack of flu. I was so run-down I never expected to be well again. I began taking the Reese Formula R-11 and after the first bottle was able to walk down stairs. Today I feel thirty years younger, and in perfect health. Nothing I can say for Reese Formula is too good for it.

Yours sincerely,

VOLUME XXI--NO 15

CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA. WEDNESDAY, JUNE 23, 1920

TWO CENTS

AUTO OWNERS SUMMONED TO
APPEAR BEFORE THE BURGESSCharged with Violation of
Traffic Regulations
By Police

MACHINES ON STREET ALL NIGHT

Burgess Woodward's court promises to be very interesting place this evening, when twenty local automobile owners will appear before him to answer to a charge of violation of traffic regulations.

The local police last night turned in twenty red coupons from tags which had been placed on machines which had been permitted to stand on the streets all night, the coupons being left at the police station this morning as they went on duty. The notice to the auto owner is very brief but to the point, calling the attention of the auto owner to the fact that he has violated the regulations and to appear before the Burgess at 7 o'clock this evening.

What disposition Burgess Woodward will make of the charges remain to be seen, but it is pointed out by the police that all autos allowed to stand on the streets at night are an obstruction and damage is likely to result from the practice. One case was cited where a big truck was allowed to stand in one of the alleys of the borough the other night, and taking up so much room that it would have been impossible for any one to pass. However the machine was without a light until the police notified the owner to place a warning signal.

A number of those whose machines were tagged appeared at the police station this morning and admitted they had no place in which to store the machines, but they were all referred to the Burgess, who will likely dispose of the cases this evening.

These are the first returns made by the police under this dispensation, and the outcome of the cases will be watched with interest. Allowing autos to stand on the streets is a custom that prevails in every town in the country, in spite of inhibition on the part of regulations, and heretofore there has been no attempt to break up the habit. Charleroi may find it may not, solve the problem.

RECOVER BODY OF
DROWNED RIVERMAN

The body of the riverman, Frank White, drowned from the steamer J. C. Risher, just above the lock last Saturday morning was recovered Tuesday afternoon. The steamer Braddock on the way up the river had worked in close to the crib, the swells from the wheel, it is believed, bringing the body to the surface. The remains were taken to the morgue of Lawrence B. Frye, and prepared for burial.

Mr. and Mrs. J. W. Cordes and children of Blairsville, and Mrs. Louise Cordes and daughter of Indiana, have returned to their homes after visiting with Mrs. O. B. Clutter.

PHILO SOCIETY WINS
THE ANNUAL CONTEST

The annual literary society contest, which is always a feature of the commencement season at the California Normal, and which was held Tuesday evening, was won by the Philo representatives, who scored a clean sweep over their rivals from the Clio society. A large audience was present, and the contest was spirited and close, in spite of the decisive victory for the Philos. Commencement proper began this morning and the exercises will end this evening.

ALLEGHENY WINS
OVER MONESSEN

The Monessen High school baseball team was defeated by the Allegheny High at the local ball park on Tuesday afternoon, by a score of 3 to 1. The game was played on a sloppy field, due to the heavy rain of a few hours before, and this condition proved a handicap to both teams. However, it appeared that Allegheny High demonstrated its superiority over the steel town boys, although the Monessen lads put up a brilliant game. It was a case of too much Swetonic for the versatile pitcher of the visiting team proved to be too strong in his all-round work for the Monessen boys to overcome. Swetonic not only pitched a great game for the visitors, striking out thirteen of the opposing batsmen, but likewise made three hits, two of them two-baggers which drove in winning runs. Monessen's infield wobbled some, although they pulled off the only triple play of the game. Allegheny outbatted and outfielded their opponents, and won the game on its merits.

The attendance was quite large, hundreds of Monessen residents coming over by trolley and auto to witness the contest. They saw a good game, but were compelled to see their favorites go down in defeat.

APPRECIATE SERVICES
OF ALL WHO HELPED

The Charleroi Sabbath School District officers want to express their appreciation to all who helped make the recent County Sabbath School convention such a great success. It was credited by regular convention goers as very successful and well managed, for which we wish to thank the ladies of the different churches for the courteous and generous treatment, the folks who opened their homes for reception of visitors, to the School Board for the use of such commodious accommodations, to The Mail for the frequent announcements and accounts of the convention period, and to any others who in any way contributed in this undertaking.

Rev. R. B. Campbell and family of the Free Methodist church left today for a two weeks trip to Niagara Falls and Canada.

Maccabees Benefit Association
To Hold Picnic at Eldora Park

Committees of the Valley Reviews, including members and of the Women's Benefit Association friends, will be counted in the delegation of the Maccabees were called together for a meeting in Charleroi on Monday evening, to make final arrangements for the Eldora Park Picnic Day to be held at Eldora Park, Thursday, July 15. Thirty-seven members of the committee were present, with Mary T. Hardwick, District Deputy of Uniontown, presiding.

Arrangements have been made with the park managers, Messrs. Woodward and Williamson, for the park on that day including the dancing pavilion and the refreshment stand. The roller coaster and the merry-go-round will be in charge of the park management. Jenkins' orchestra will furnish the music for dancing, both afternoon and evening, the hours being from 2:30 to 5 p. m. and from 8:30 to 12 o'clock midnight.

The park will be opened at 9 o'clock on the above date, and delegations 8:30 p. m. and continue to 12 o'clock from all sections will begin to register at that hour. The registration committee includes Commanders from each Review and who will be in charge of badges for members and tags for friends, designated by the name of the town from which the delegation comes. Every person entering the park will be numbered at the gate.

A delegation prize has been offered to the Review bringing the largest delegation. Men, women and children.

FRUIT STOLEN FROM
MONACK'S WAREHOUSE

Monack Brothers wholesale produce warehouse was robbed sometime last night, entrance being forced through a rear door. The thieves carried away a choice lot of cherries, pears and peaches, and officials of the company this morning estimated that the loss would reach about 100.00. The robbers left no clue. The lock on the rear door was missing this morning, which was apparent evidence as to the manner in which the robbers gained admittance.

CONTRACTS HELD UP
BY LABOR SHORTAGE

Donora, like other municipalities, is having trouble in securing contractors to accept paying contracts in that town. At a meeting of the borough council held Monday evening it developed that not a single bid had been received in answer to advertisement for some paving the borough wished to have done this summer. Scarcity of labor and difficulty in securing material were advanced as the reasons for this attitude on the part of contractors.

BALL GAME SCHEDULED
FOR THIS EVENING

A twilight baseball game is scheduled for the park this evening at 6 o'clock at which time the D. C. S. team from Donora, which leads the local league in that town, will try conclusions with the Charleroi Independents. The batteries will be Glaab and Wolf for Donora and McIlvaine and Marchinette for Charleroi.

COURT GIVES MONEY TO
BOYS WHO FIND IT

"Findin's keepin's" was the opinion of Common Pleas Court of Allegheny county which on Tuesday awarded to two youngsters, Albert J. Bradley and William A. Donahue, the entire \$5,350 found by them under a lumber pile last October and claimed by the First National Bank of Wilkesburg. The bank attempted to prove that the find was part of funds taken from it in a robbery on the 10th of last May. The court award also gives the boys interest to date.

STEAM SHOVEL AT
WORK ON DAMAGED ROAD

The Allegheny county road department has put a steam shovel to work on clearing away the debris and dirt which now obstructs the concrete road in Forward township at a point opposite Monongahela. In this way the department will make much quicker headway and will be able to clear away the landslide within a few days. Then it will be possible to ascertain the full extent of the injury done by the landslide of last week.

C. M. Roe. C. M. Roe died this morning at 3 o'clock in the Allegheny General Hospital. Funeral services will be held Friday, June 25, at 2:30 o'clock p. m., from the residence of Mrs. Roe's father, Rev. James Law 602 South Main street, West End, Pittsburg.

The Kensington of Lutheran church will meet at Lutheran church Thursday afternoon.

TOO MUCH SPEED RESULTS IN
ACCIDENT AT FIFTH AND M'KEANNEW WELL TESTS OVER
TWO MILLION FEET

Testing over two million feet in the fifty foot sand at a depth of 2,135 feet after drilling 20 feet in that sand, the well of the Shepler Oil & Gas company on the Shepler farm, east of Monessen, on Tuesday was being cased off and will be connected with the mains of the Peoples Gas Company some time during the week. The well was visited by many people on Monday and Tuesday. The company plans to drill two more wells, its capitalization of 55,000 having been entirely disposed of.

IT'S A BIG THING
FOR THE CHILDREN

In the coming Chautauqua which opens in Charleroi on Sunday next, to continue for one week, there is something each day for the children. Each morning they are taught games and have a good long play. The last night of the Chautauqua the children will give a pageant entitled "The Good Fairy Thrift." The children will be drilled each morning for the pageant by the Story Girl and her assistants. Send the children, even if it is impossible for you to get there with them each day, because what they learn there they will remember. They will be taught the highest and cleanest games and stories that it is possible to find. Every parent should procure a season ticket for his child so they do not have to miss these sessions, because this is one of the biggest things the Chautauqua has to offer.

POLLYANNA CLUB
ENTERTAINED BROTHERHOOD

The Pollyanna Club of the Lutheran church entertained the members of the Brotherhood and their wives Tuesday evening in the church basement, in appreciation for past services. Almost fifty Pollyannas and guests sat down to sumptuously decorated with baskets of pink roses and the Pollyanna colors of pink and blue. A history of the Pollyanna was given by Miss Ruth Heuple and a eulogy of the Pollyannas of 1920 by Mrs. D. A. Schmitz. Each member of the Brotherhood had some good report to make, while all expressed themselves delighted with the program of the evening. Mrs. Ada M. Gehring, president of the club acted as chairman of the evening.

WERE GOING TO BALL GAME

Eagerness on the part of five Italians of Monessen to reach the local ball park Tuesday afternoon, to witness the ball game between the Allegheny and Monessen High teams, resulted in the wreck of their Ford truck at the corner of McKean avenue and Fifth street, shortly after 3 o'clock.

The machine was owned by two of the occupants who gave their names as Callo and Guifio, who said their place of business was at 10th street and Schoonmaker avenue, Monessen. About 3:20 o'clock yesterday afternoon they were bowling nearby, along McKean avenue. Intent on reaching the park in time for the opening of the game, and possibly were not paying as much attention to traffic regulations as they might under ordinary circumstances. At all events, conditions were being framed for the accident which subsequently occurred, for about that time a big truck of Monack Brothers was going down Fifth street, and was just turning into McKean to go north when the Ford truck, which was being driven at a good rate of speed, came along. When the drivers saw each other it was too late to stop. The truck was on the street car tracks when the Ford plunged headlong into it, breaking the running board on the truck and doing other slight damage.

The Ford, however, was badly used up. The radiator was knocked off, the windshield broken, the radiator broken, a tire punctured, as well as many and divers other damages done, and for the time at least the Ford was down and out. One of the occupants of the Ford was cut on the leg by glass and another had his right ankle bruised, but none of the other occupants were injured.

Officer Murphy was on the scene and directed the unscrambling of the machines, and directed the Monessen young men to appear before the burgess at a later hour. Also to clear the street of the glass which had been scattered in a promiscuous manner when the collision took place. The incident drew quite a large crowd to the scene, but it soon dispersed when it found there had been no serious damage to any of the auto occupants. The Ford was taken to a local garage for repairs.
